

Koala Karity Ltd - Donation Report - 02nd of Aug.23

KOALA KARITY LTD	Date: 02nd of Aug.23	Charities of the Month
Donation Report		
Number:	#13	For its third year, Koala Karity will keep the approach chosen last year. Indeed, we reduced the pace by focusing on 1 Charity during few months. This allowed us to donate more to 1 specific Charity and it made it easier for the Community to know which Charity is the current one -- as opposed to changing every 30 day during the first year.
Date:	02nd of August 2023	During the first half of the year, Koala Karity will support the Red Cross (UK) and ensure that the donated money goes to Turkey and Syria. We already donated to the Red Cross last year. And as they have a special earthquake appeal to help both countries, it makes sense for us to extend our support to this Charity.
Amount:	£36.30	It's easy to donate here (https://donate.redcross.org.uk/appeal/turkey-syria-earthquake-appeal?gclid=Cj0KCQjwtsCgBhDEARlsAE7RYh09Mf9INrmdzE8FY1i6Xb95S5rpV9m2b6Rad-ZZJTUisC8IXkEhDdlaAq3DEALw_wcB), and all the support will address urgent needs such as food, water and blankets.
Charities:	Red Cross (UK) for Turkey and Syria	The Red Cross has a lot of experience with this type of situations, and so they will also be able to provide vital medical aid and assist the rescue efforts. A lot of buildings were destroyed, so the Red Cross will also have the opportunity to set temporary shelters up. This will help thousands of survivors who are facing cold weather without a roof, apply first aid and provide psychosocial support. Last year, Koala Karity donated to another Charity for the second half of the year. But for now we will keep an eye on how things are progressing. Just like last year, it would make sense to keep supporting the same cause (whether we donate to the same Charity or not). As a result, we will keep the Agenda of Charities open for the second half of the year. This way, we can decide with a better visibility if it makes sense to keep the same Charity for the full year. It would be the first time ever for Koala Karity, but flexibility is key to ensure that the our support makes sense. As always, you can find all the details about our donations and the timeline on our website. Don't forget that Koala Karity is donating with its own resources, and that the support from the Community is just an extra that is mainly being redirected to be added to our own donation. Finally, also don't forget to support Ukraine during this difficult times ❤️
